

DISCOVER THE RSC RANGE! THE EVOLUTION OF PERFECTION!

The RSC range has been designed to satisfy all professionals' requirements and ensure reliability as well as high operation performance. The innovative design, inspired by the racing world, provides these mobile roller cabs and trolleys with a captivating, unique style: the 7 colours and its finish make the RSC range synonymous with one-of-a-kind products in the market. The sturdy frameworks and the materials result in high quality and remarkable durability, thereby effectively supporting the daily work of industrial production departments, mechanics, car body repairers and general maintenance service providers. What is more, most RSC roller cabs are TÜV certified. This prestigious certification - which is the name for safety and guaranteed quality - is obtained upon successful completion of severe tests under the EK5/TA5 protocol.
